

NOTICE

The Sanpete County Sanitary Landfill Cooperative is requesting a permit to continue operation of the Class IVb landfill located approximately six miles north of Ephraim, Utah on the west side of Highway 89. The landfill may accept only nonhazardous construction/demolition waste, yard waste, inert waste, dead animals, waste tires, and contaminated soils as allowed under R315-315-8(3), Utah Administrative Code (UAC).

The Division of Solid and Hazardous Waste has reviewed the permit renewal application and a draft permit has been issued. Before taking action on the request, the Division is providing a public comment period to receive input. The public comment period on the draft permit begins Wednesday, January 12, 2005 and will end February 11, 2005. A public hearing may be held if, within 15 days of publication of the notice, a request is made to the Executive Secretary in writing and meets the requirements of Utah Administrative Code R315-311-3.

Copies of the application and the draft permit can be viewed on the Internet at www.hazardouswaste.utah.gov and are available for public review during normal business hours at the following location.
